

The Noblesville Band Boosters are dedicated to ensuring all students and staff are well-fed and energized during band activities. Our talented meal coordinators and volunteers work diligently to provide snacks and meals for over 170 individuals within a short timeframe, and your cooperation and advanced planning will help keep everything running smoothly.

### **Overview of Food Provided**

- Band Camp Days and Competition Days: Snacks provided.
- Football Games and Select Events: Meals and snacks are provided for students and staff.
- Menu Announcements: Menus will be shared through the band newsletter, so please check regularly for updates throughout the season.

The meal team carefully plans a variety of meals that appeal to high school students while offering options at most meals.

### **Food Allergy Accommodations**

The Noblesville Band Boosters adhere to the Noblesville Schools Food Allergy Policy (8500.01) as outlined in the school board handbook. Every effort will be made to provide safe and appropriate accommodations for any student with a medically diagnosed food allergy.

If your student has a medically diagnosed food allergy, please contact the Noblesville Band Booster Food Coordinator to coordinate appropriate accommodations for the season.

### **Food Policy Guidelines**

#### **1. Accommodations:**

- The Band Boosters will strive to provide alternative meal options for students with medically diagnosed food allergies.

#### **2. Buffet-Style Service:**

- Meals will be served buffet-style. If this method is unsafe for your student, please contact Jen Melton to discuss individualized arrangements.

#### **3. Parental Presence:**

- Parents of students with food allergies may be requested to be present during meal service to ensure the safety of alternative options.

**4. Buffet-Style Service:**

- Meals will be served buffet-style. If this method is unsafe for your student, please contact Jen Melton to discuss individualized arrangements.

**5. Parental Presence:**

- Parents of students with food allergies may be requested to be present during meal service to ensure the safety of alternative options.

**6. Bringing Alternate Meals:**

- While we cannot accommodate individual food preferences due to the volume of students served, parents are always welcome to send alternate meals or snacks for their student.

**Volunteering Opportunities**

Volunteers play an essential role in our food service success. Sign-up opportunities will be shared throughout the season. We appreciate your support!

If you have any questions or concerns about food policies, accommodations, or volunteering, please don't hesitate to reach out. Together, we can ensure a safe and enjoyable season for all students.

Sincerely,

Jen Melton
